\*Product colors may vary due to differences in the printing process and screen color settings.

Paloma features a soft, linen-like stone texture that brings a light and airy feel to any outdoor space. Its clean, minimalist finish creates a calm and inviting atmosphere, perfect for relaxed summer days..

*SunLab® distinguishes itself by being the only above-ground pool manufacturer to certify every pool with ICC-ES. Designed to comply with ANSI/PHTA/ICC-4 standards.*

## STRUCTURE

The Paloma, built on the S300 structure from the accessible S3 Series, combines proven structural reliability with a more architectural look. Its bold vertical lines and geometric detailing bring visual interest to your outdoor space while maintaining the performance and quality expected from SunLab pools. An excellent choice for those seeking style and value in an above-ground pool.
