# ST.GERMAIN

Model  
**ST.GERMAIN**

Designed to harmonize with today's refined outdoor spaces, St.Germain features a vertically grooved wood texture and a sophisticated charcoal finish. It's the perfect match for modern homes that embrace timeless design and high-end materials.

*SunLab® distinguishes itself by being the only above-ground pool manufacturer to certify every pool with ICC-ES. Designed to comply with ANSI/PHTA/ICC-4 standards.*

\*Product colors may vary due to differences in the printing process and screen color settings.

## STRUCTURE

The St.Germain, which is built on the S510 pool structure, stands out with its pronounced vertical detailing and angular accents, offering a more architectural aesthetic within the S5 Series. Built with the same reinforced structure and top-tier materials, the S510 is ideal for homeowners seeking a striking, contemporary design that remains stylish year after year.
